BRUNDALL PRIMARY

Head of School News

What an incredible and busy term it has been! Our children have taken part in so many fantastic experiences, and it has been wonderful to see their enthusiasm, creativity, and kindness shining through.

This term, Year 4 had an unforgettable time at the Horstead Residential, taking on exciting challenges, building friendships, and creating lifelong memories. We also celebrated Number Day, where children enjoyed fun maths activities while raising money for charity.

We were delighted to welcome parents into school for workshops, strengthening the important partnership between home and school. World Book Day was another highlight, filled with fantastic costumes, storytelling, and a shared love of reading.

A huge thank you to all parents who attended Parents' Evening. These meetings are such a valuable opportunity to discuss your child's progress, celebrate their achievements, and work together to support their learning. Your engagement makes a real difference, and we really appreciate your time.

A special thank you also to FOBs for their incredible fundraising efforts, which continue to make such a positive impact on our school. Our pupils have also enjoyed some wonderful trips, including visits to Strangers' Hall and The Time and Tide Museum, bringing history to life in an engaging and memorable way.
.
A special mention goes to the two pupils who took the initiative to organise a bake sale for Cancer Research, showing real generosity and community spirit. And, of course, we were all treated to a brilliant Year 3/4 performance, showcasing the children's hard work, confidence, and talent.

Most of all, I am incredibly proud of the kindness our children show to one another every day, making our school a truly warm and welcoming place to be.
Wishing you all a wonderful Easter and a well-deserved break!
