BRUNDALL PRIMARY

WEEKLY NEWS

Head of School News

It has been a lovely week in school, filled with hands-on learning, outdoor adventures, and special visitors!
Our Year 1 pupils have been busy completing their Phonics Screening Checks with Mrs Wicks. We're incredibly proud of the way they've approached these with such positivity and growing confidence in their reading skills. It's always lovely to see how far the children have come since the start of the year.

Over in Year 4, the children have been taking part in their Multiplication Tables Check. This has been a great opportunity for them to show off their quick recall and times tables knowledge, which they have worked so hard on. Their efforts and determination have really stood out—we're very proud of them all.

A highlight this week was a visit from Mr. Page, who brought his bees into Bright Class. The children were absolutely fascinated by the live demonstration and had the unique chance to see a real queen bee up close! As part of the session, they also had a go at making candles from beeswax, a brilliant sensory activity that combined science, nature, and creativity in one buzzing afternoon.

Our Year 1/2 children had a fantastic day out at Hickling Broad, where they explored the beautiful surroundings and took part in pond dipping, identifying minibeasts and learning more about local habitats. The visit was a wonderful opportunity to connect their classroom learning to the natural world, and the children came back full of stories and enthusiasm for all they had seen.

Thank you, as always, to all the staff and volunteers who support these enriching experiences. It's a joy to see the curriculum brought to life in such engaging and memorable ways, and to watch the children grow in confidence and curiosity.

Wishing you all a restful and enjoyable weekend.

Julie Cornish

BRUNDALL PRIMARY

WEEKLY NEWS

Bright class welcomed James Page from the Norfolk Beekeepers Association, along with some of his bees!
The children explored a real hive, spotted the Queen Bee (look for the green dot on her abdomen!), and made their own beeswax candles.
A big thank you to James for such a fantastic visit

BRUNDALL PRIMARY

WEEKLY NEWS

Our Year 1/2 children had a brilliant day exploring Hickling Broad! They enjoyed pond dipping, discovering and identifying minibeasts, and learning all about local habitats in a stunning natural setting.

The trip brought their classroom learning to life and sparked lots of curiosity and excitement, especially when they spotted a magnificent Swallowtail Butterfly!

BRUNDALL PRIMARY

WEEKLY NEWS

We're excited to launch our brand-new Bookflix board - a fun and inspiring space where children and adults can recommend their favourite reads!
The board is already filling up with brilliant suggestions from pupils and staff- perfect if you're looking for your next great book!

Thank You for Attending Our RSE Meeting

A huge thank you to all the parents and carers who attended our recent Relationships and Sex Education (RSE) meeting. We are committed to delivering high-quality RSE that is age-appropriate, inclusive, and supportive of our pupils' development. These lessons are taught by known and trusted adults, creating a safe and respectful environment where children feel comfortable to engage, ask questions, and explore key topics.
Our curriculum is carefully planned to suit the age and stage of development of each year group. Children are given regular opportunities to build their knowledge and develop a healthy, informed understanding of relationships in a sensitive and thoughtful way.
Our approach follows the Statutory guidance for Relationships, Sex, and Health Education, which can be accessed here:
www.gov.uk/government/publications
