WEEKLY NEWS

11TH JULY 2025

BRUNDALL PRIMARY

Head of School News

What a busy and brilliant week we've had at school! There's been so much going on, and it's been lovely to see the children learning, exploring and enjoying themselves in lots of different ways.

Our Year 5 children had a fantastic time at The Nest with the Community Sports Foundation. They took part in football-themed activities that got them thinking hard and moving around too. It was all linked to maths, so they were solving problems, collecting data and making calculations while having fun and working as a team. It was a great example of how learning can be exciting and active.

In Reception, the children experienced something really special. After looking after their caterpillars and watching them grow and change, they finally got to release their first butterflies into the school garden. It was a magical moment, and the children were full of wonder. They showed such care and excitement and made us all smile.

Over in Boyce Class, the children became scientists for the day as they explored the theory of evolution. They took on the role of Darwin's finches and used different tools as "beaks" to pick up various types of "food." It helped them understand how certain features can help animals survive in different environments. The experiment really brought the idea of natural selection to life, and they asked some brilliant questions.

One of the highlights of the week was our Sing-along on Wednesday. The children sang beautifully, and the playground was filled with smiles, music and proud faces. A huge thank you to all the families who came along to support the children. It meant a lot to have you there. Thank you also for buying Freeze Pops at the end of the event. All the money raised is going towards our outdoor project, which we're really excited about. It's going to be such a great addition to our outdoor learning space.

We'd also like to give a big shout-out to Mrs. O'Beney, who worked incredibly hard to put the Sing-along together. We're so grateful for everything she did to make it such a lovely event.

Thanks, as always, for your support. We hope you all have a relaxing weekend and enjoy some well-earned rest.

WEEKLY NEWS

11TH JULY 2025

BRUNDALL PRIMARY

A group of our Year 5s had a brilliant morning at The Nest, Community Sports Foundation! They combined maths skills with football-themed activities - and had a fantastic time doing it!

Boyce Class investigated the theory of evolution by putting themselves in the shoes, or beaks of Darwin's finches! Using different tools to represent beaks, they tested which ones were best suited to different types of food

Our Crew Afterschool Club has been having a blast!
The children got competitive during some lively rounds of Bingo and showed off their skills in a few exciting games of Swingball.

WEEKLY NEWS

11TH JULY 2025

BRUNDALL PRIMARY

Bright Class had an exciting day as they released their first batch of butterflies into the school garden! The children sang “Bugs and Butterflies” while watching them flutter away into the sunshine. They also took time to admire how tall their sunflowers had grown, fantastic work from our little gardeners!

Thank you to everyone who came along to our Sing-Along, what a fantastic turnout and such enthusiastic singing from the children (and grown-ups too!).
It was lovely to see so many of you supporting our children.

BRUNDALL PRIMARY SCHOOL COMMUNITY DAY

FRIDAY 5TH SEPTEMBER 2025

Celebrating Who We Are and Where We Belong

At Brundall Primary, we see ourselves as more than just a school - we're a community. Each class has its own identity, including a class song, helping to build that special sense of belonging.

As part of our work as a School of Sanctuary, we want to explore and celebrate the many different communities our children are part of - both in and outside of school.

On Friday 5th September, we're inviting all children to come to school wearing something that represents one of their communities.

This could be:

- **Traditional or cultural clothing**
- **An outfit linked to a religious background**
- **A uniform or kit from a group they belong to, such as Scouts, Brownies, cheerleading, football, or any other club or team**

We can't wait to see the wide range of outfits that reflect the different communities that make up our school.

Let's make Community Day a colourful, joyful celebration of identity, inclusion and belonging!

REMINDER

PLEASE SETTLE ANY OUTSTANDING LUNCH MONEY VIA PARENTPAY BY THE END OF TERM (TUESDAY 22ND JULY 2025).

THANK YOU

Important Dates

DATE	EVENT
