WEEKLY NEWS

10TH OCTOBER 2025

BRUNDALL PRIMARY

Head of School News

It's been another fantastic week at Brundall Primary School, full of achievements, celebrations, and many moments of kindness that make our school such a special place to be.

Our Reception children have been busy settling into school and are already becoming a part of our wonderful Brundall community. They've also shown some brilliant maths work and beautiful letter formation. It's lovely to see how quickly they are growing in confidence and enthusiasm for learning.

Across the rest of the school, there has been so much great work taking place in classrooms. Pupils have been showing curiosity, creativity, and teamwork in all areas of the curriculum. It's always a pleasure to visit lessons and see the pride that children take in their achievements. I have been popping into lessons and have been really impressed with their resilience and determination when tackling their learning.

Next week, we're really looking forward to our SEND Café, which will provide a welcoming space to meet and talk about SEND provision with a range of professionals from the School and Community Team, the Community and Partnerships Team, and the EHCP Team. The focus will be on supporting families with routines both morning and evening.

We're also pleased to announce an additional date for our Reception 2026 Open Event, which will take place on Tuesday, 14th October at 4 pm. If you know anyone with a child born between 1 September 2021 and 31 August 2022, they will be due to start school in September 2026, and applications for school places are now open. Please do share this information with family and friends who may be interested in joining our Brundall community.

Wishing you all a lovely, restful weekend.
Warm regards,

Julie Cornish

WEEKLY NEWS

10TH OCTOBER 2025

BRUNDALL PRIMARY

🚗 Parking Considerately Around School

We would like to remind all parents and carers to be thoughtful when parking near the school at drop-off and collection times.
For the safety of our children and out of respect for our neighbours, please park responsibly, avoid blocking driveways or access points, and switch off your engine while waiting.
A local resident has kindly reminded us that some cars are being left with their engines running for a long time. This can affect air quality for those living nearby and is not good for the environment.
We're lucky to have a wonderfully supportive community around us.. By showing them the same consideration, we can help keep our school community a positive and welcoming place for everyone.
Thank you for your understanding and cooperation.

💬 Parents' Evening Appointments

You should have received an email with a link to book your appointment for Parents' Evening. If you haven't received this email or are having trouble accessing the link, please contact the school office, and we'll be happy to help.

📸 Follow us on Facebook!

We're so proud of everything our pupils do and love sharing their successes.
Follow our page to keep up with school news, see what's happening in classrooms, and celebrate our wonderful school community. We love it when we read a positive comment or see lots of likes - it really does make a difference.

WEEKLY NEWS

10TH OCTOBER 2025

BRUNDALL PRIMARY

Reception had a great time making their own listening ears and exploring the sounds around school, from birds singing to trains passing by. Oliver Jeffers Class impressed with brilliant Maths matching and lovely letter formation

In Geography, Hall's Class have been learning about their school. This week, they created their own maps, identifying important places around the site. Today, they added a key to help others read their maps clearly.
