BRUNDALL PRIMARY

Head of School News

It's been another busy and exciting week here at school!

Our Year 5 and 6 children have been exploring World War II artefacts and replicas. They absolutely loved discovering items from the past and finding out what life was like during the war years. It was a fantastic, hands-on history experience that really helped bring their learning to life.

Year 3 and 4 had a wonderful day at Gressenhall Farm and Workhouse, where they took part in a workshop called "Hunter-Gatherer or First Farmer?". The children explored what life was like in Neolithic Britain, around 5000 years ago, and got a real feel for how people lived and worked all that time ago.

A big thank you as well to all the parents and carers who came along to our relaxed coffee morning with the School and Community Team. It was lovely to have the chance to sit down together, share ideas, and chat about how we can help children build calm morning and evening routines. We really enjoyed seeing you all and hope you found it helpful.

Looking ahead to next week, we're looking forward to seeing many of you at Parents' Evening on Tuesday and Wednesday. It's a great chance to celebrate the children's achievements and talk about how we can keep supporting their learning together.

Wishing everyone a lovely, restful weekend.

Julie Cornish

WEEKLY NEWS

Communication

At Brundall Primary School, we are continually striving to improve. While it's not always possible to communicate every change, we encourage you to speak with us directly if you have any questions or concerns.

We recognise that social media can be a powerful tool, but it can also become a space for negativity and personal criticism. Our staff work hard to ensure your children feel safe and happy, and we deeply value the strong relationships we have with our families.

We operate an open-door policy and welcome conversations. If you have a concern or issue, please follow these steps:

Speak with your child's class teacher
You can arrange this by emailing the school office, using the relevant phase email, or by speaking to the teacher at the end of the school day.

Contact the Phase Leader
If the issue remains unresolved, please reach out to the Phase Leader via the phase email or through the school office.

Speak with a member of the Senior Leadership Team
A member of the team is always on duty in the morning and available at the end of the day.
You can also contact us via the school office

You'll find a full list of contact details on our website.

Phase Email Contacts:
Years 1 & 2: Y12@brundall.norfolk.sch.uk
Years 3 & 4: Y34@brundall.norfolk.sch.uk
Years 5 & 6: Y56@brundall.norfolk.sch.uk

Phase emails are checked daily before 8:30 am and again at the end of the school day.

For urgent matters during the school day—such as changes to pick-up arrangements or after-school clubs—please contact the school office directly

You can also find a copy of our Family Code of Conduct on the school website.

BRUNDALL PRIMARY

WEEKLY NEWS

Contact details

The majority of our communication is electronic, so it is really important that we maintain accurate records of parental contacts. If you change your email address or phone number, please inform the school office so that we can ensure you receive important information.

Administering Medicine to Pupils

Please remember that should your child require any medicine to be administered during school time, then a Parental Agreement Form must be filled in and signed before any medication or pain relief can be given. The forms are available for completion from the office. Children should not be carrying any medication, pain relief, lozenges etc. in their bags, and it should all be directed by parents via the office. Thank you.

Absence Procedures

Parents must inform the school office of a child's absence by 8.30 am on 01603 712597. If leaving a message, please state the following: Child's name, Class, and year group. Detailed reason for absence, for example, "Matt has been sick in the night," rather than " Matt is unwell." If a child is absent from school without a reason being provided, the office staff will contact parents to ascertain the reason for the absence. By leaving a detailed message, it will save us from having to make this contact call.

📸 Follow us on Facebook!

We're so proud of everything our pupils do and love sharing their successes.
Follow our page to keep up with school news, see what's happening in classrooms, and celebrate our wonderful school community. We love it when we read a positive comment or see lots of likes - it really does make a difference.
