WEEKLY NEWS

24TH OCTOBER 2025

BRUNDALL PRIMARY

Head of School News

Thank you to all the parents and carers who attended our Parents' Evenings on Tuesday and Wednesday. It was lovely to see so many of you in school and to have the chance to talk about your children's progress, achievements, and goals for the year ahead. These evenings are such an important opportunity to celebrate successes, share next steps, and strengthen the vital partnership between home and school. When we work together, we can ensure every child continues to flourish both academically and personally.

It has been a jam-packed and productive first half of the autumn term, and the children have worked incredibly hard. We are proud of their enthusiasm, positive attitudes, and the progress they are making across all areas of school life.

As we head into the Half-Term holidays next week, I would like to wish all our families a restful and enjoyable break. Whether you are spending time at home, visiting friends and family, or enjoying a few autumn adventures, I hope it's a chance to relax and recharge.

We look forward to welcoming all the children back to school on
Monday 3rd November 2025, ready for another exciting and successful half term ahead.

Best wishes

Julie Cornish

BRUNDALL PRIMARY

WEEKLY NEWS

Reception children explored balancing scales to compare weights, shared books together, created autumn leaf art, practised fine motor skills with different scissors, and completed jigsaws independently.
We're so proud of their growing independence!

Last week, Year 1/2 had a fantastic time planning and making colourful fruit kebabs. They enjoyed choosing their fruits, practising their skills, and creating tasty, healthy treats!

WEEKLY NEWS

School Uniform

It's wonderful to see the children looking so smart in their uniforms. To help us keep everything organised, please ensure that all items of clothing are clearly named. This makes it much easier for us to return any lost items quickly and ensure they make their way back to the right owner.
As the weather continues to get colder, we kindly ask that children come to school dressed appropriately for the season. A warm coat, hat and other suitable winter clothing will help keep them comfortable throughout the day, especially during outdoor play and their journeys to and from school.

Afterschool Club Collection Reminder

With the nights starting to get darker, we want to make sure all our children stay safe at the end of the school day. From the week beginning Monday 3 November 2025, we ask that all children attending afterschool clubs are collected at 4.15pm by an adult.
Thank you for your support and for helping us to keep everyone safe during the darker evenings.

Flu Vaccination – Consent Required

Vaccination UK will be visiting our school on Tuesday, 18 November 2025, to offer the flu vaccine to all eligible children.
Parents and carers should have received an email from Vaccination UK containing important information about the vaccine, along with the online consent form. All parents are required to complete the consent form, even if you do not wish your child to receive the vaccine.
Please note, the school is unable to collect or process consent forms on behalf of Vaccination UK, so it is essential that the online form is completed directly using the link provided in their information. If you have not seen the email, please check your spam or junk folder.
For any queries about the vaccine or consent process, please contact Vaccination UK directly using the details provided.

Keeping Kids Safe Online: Simple Steps for Parents and Guardians

At school, we teach children how to stay safe online. We know that many also use laptops, tablets, and phones at home. When they're immersed in a game or chatting with friends, it's easy for them to forget important safety rules.

That's why the best online safety happens when families and schools work together. By having open conversations and setting clear boundaries at home, you can help your child make safe, confident choices online. From cyberbullying to inappropriate content, children need guidance to stay safe online. Here are some practical tips to help protect your child's digital world.

Top Tips for Internet Safety

- Set Up Parental Controls
- Use built-in settings on devices and apps to block harmful content and manage screen time.

Teach Privacy Basics

- Remind children never to share personal details like their name, address, or school online.
- Encourage Open Conversations
- Ask what they're doing online and who they're talking to. Make it safe for them to share concerns.
- Use Child-Friendly Platforms.

Signs to Watch For

- Sudden secrecy about online activity.
- Emotional changes after using devices.
- Withdrawal from family or friends.
