BRUNDALL PRIMARY

WEEKLY NEWS

Head of School News

Kindness helps our minds and bodies in so many ways. It makes us happier, strengthens our hearts, and helps us build stronger connections with one another.

At school, we see acts of kindness every day. A helping hand when someone drops their pencil, a comforting word on the playground, or someone inviting another child to join in a game. These moments may seem small, but they make a huge difference. They help to build the warm, caring atmosphere that we're so proud of in our school.

In our Friday assemblies, we make time to celebrate kindness through our Kindness Shout Outs. Staff take a moment to recognise pupils who have gone out of their way to help someone, share, or simply make someone's day a little brighter. It's always wonderful to hear these moments of thoughtfulness and to see the pride on children's faces when their kindness is noticed. Those smiles remind us how powerful small acts can be and how much they matter.

Kindness has a ripple effect. When one person does something kind, it often inspires others to do the same. Studies have shown that this ripple can spread far beyond the first act, even reaching people several steps removed from it. Imagine that: one kind act here in school could go on to touch the lives of many others.

Kindness also helps us to feel more connected. When we are kind, or when others are kind to us, it brings us closer together. It strengthens friendships and builds trust, helping everyone feel safe and valued. That sense of belonging is such an important part of school life.

As we move through the term, let's keep kindness at the heart of what we do. It lifts us, connects us, and helps our whole school community grow together. Together, we can make kindness something that shines in every classroom, corridor, and playground.

Have a lovely weekend.

Julie Cornish

BRUNDALL PRIMARY

WEEKLY NEWS

Year 1/2 have been thinking about the properties of 2D shapes this week. They made shapes using cocktail sticks and marshmallows and thought carefully about the number of sides and corners each shape had. They even explored further by making a hexadecagon and a nonadecagon.

Year 3/4 started their ‘Dynamic Earth’ topic in Geography earlier this week, exploring the layers that make up our planet. They then created their own colourful models using playdough!!

WEEKLY NEWS

RHS School Gardening Awards Success!

After a successful year of growing in the school kitchen garden , Kate in the office applied for the RHS School Gardening Awards, recognising the hard work and commitment of the children in Gardening Club.
We're delighted to announce that our school has been awarded Level 1 and Level 2! As part of the award, we received several fantastic gardening books, a variety of seeds, and a gardening gift voucher.
Well done, everyone – a fab job all round

Flu Vaccination – Consent Required

Vaccination UK will be visiting our school on Tuesday, 18 November 2025, to offer the flu vaccine to all eligible children.
Parents and carers should have received an email from Vaccination UK containing important information about the vaccine, along with the online consent form. All parents are required to complete the consent form, even if you do not wish your child to receive the vaccine.
Please note, the school is unable to collect or process consent forms on behalf of Vaccination UK, so it is essential that the online form is completed directly using the link provided in their information. If you have not seen the email, please check your spam or junk folder.
For any queries about the vaccine or consent process, please contact Vaccination UK directly using the details provided.

Autumn Term Overviews

Autumn term curriculum overviews for each year group are now available on our website. These outline what your child will be learning this half term and how each subject fits into our wider curriculum.
To find out more about how the curriculum is organised in each phase, click on Implementation and then select your child's year group.

20TH NOVEMBER 2025

"WORKSHEET"

Get ready for a fun challenge and help raise money for a great cause!

📅 Date: 14th November 2025

💷 Cost: 50p per word search

🎁 Prizes:

1st Prize: Pudsey Soft toy, Water Bottle & Smarties

2nd Prize : Pudsey Water Bottle & Smarties

3rd Prize: Pudsey Keyring & Smarties

How it works:

Each word search has 25 words to find.

Solve the puzzle and submit it to enter the prize draw.

All funds go directly to BBC Children in Need!

Word searches are available from the school office.

Come join in, have fun, and support children across the UK!

At Brundall Primary School, we're proud to support BBC Children in Need, a charity that helps children and young people across the UK.
The money we raise goes towards helping children who are facing challenges such as poverty, illness, disability, or mental health difficulties. It also supports local projects that give children a safe place to go after school, make friends, and build their confidence.

On Friday, 14th November, we'll be celebrating Children in Need in two ways to get involved:
👕 Non-Uniform Day
Children are invited to come to school in their favourite clothes. Please send your child in with a small donation to support this fantastic cause.

🧩 Word Search Challenge
We'll also be running a special Children in Need Word Search Challenge! Each word search costs just 50p, and every completed entry will be entered into our Pudsey Prize Draw.
🏆 Prizes include:
1st – Pudsey Soft Toy, Water Bottle & Smarties
2nd – Pudsey Water Bottle & Smarties
3rd – Pudsey Keyring & Smarties

Word searches will be available from the school office, and all funds raised will go directly to BBC Children in Need.
Every donation, no matter how small, helps give children a better chance in life.
