

Report from the Mocktail Party!!

By William

On 9<sup>th</sup> January Brundall School had a year 5 party in the hall.  
The party lasted 2 hours.

When the party started all of year 5 played sock wars. How you play is you cannot move your feet or bum off the floor and you have to get your opponents socks off first if you do you win. Then all the children played musical bumps. How you play is someone plays music and when the music stops you have to sit on the floor and if you are last you are out.

After that everyone made Mocktails. Mocktails have no alcohol, only fruit juice. We had a competition for whose Mocktail was the best. Harry won he is my friend. Jonny and Charlotte played the drums and piano, the music was great. We also played catch and header.

The party was great. If your children want a great party come to Brundall School!!
