

Brundall School News - 10

March 2010

Energy Busters

The Energy Busters have decided that their next initiative is to reduce water wastage at Brundall School by raising money to install sensor taps.

Therefore on the 1st April, 2010 they are holding an Easter Extravaganza.

Hot Cross Buns and drinks will be sold to parents before school from 8.30 onwards and to pupils and staff at break-time.

There will also be an Easter Egg hunt during the morning and the children can come to school wearing their own clothes or participate in a competition for the best Easter costume.

Again we need your help in supporting this exciting venture so please come and enjoy a hot cross bun with us.

We look forward to seeing you all.

Absence due to Sickness

If your child has been sick either at home or at school, please keep him/her at home for 48 hours after the last bout of sickness. Need inspiration?

Why not join forces with friends and neighbours to come up with an idea.
