

Hannah Young

I left Brundall School in 2003 and went to Thorpe St Andrew High School. I chose to take Geography and Media Studies as my GCSE's. I achieved B's and C's in all subjects. When I was about 6 I wanted to be a Vet, however as I grew up I realised I would be better suited to the role of a Veterinary Nurse. After completing my GCSE's I applied to do a National Diploma in Animal Management at Easton College. I thoroughly enjoyed my time at Easton College; it was an amazing experience I will never forget. I met so many fantastic people, some of whom are still my best friends today! I learnt how to really care for the animals. It was a practical and theory based course and I achieved a Merit/Merit/Distinction which was suitable to get me on to the Veterinary Nursing course at Easton College again.

Part of this course involved some practical experience at a small Veterinary Practise in Fakenham. I became a Qualified Veterinary Nurse in 2013. I hope to gain further experience at my current practice and then perhaps go into a busy emergency animal hospital. My job is extremely rewarding, some times upsetting but I enjoy every moment of it. It was hard and stressful to become qualified but if you really want something badly enough you can achieve it!
