## June 2016

There continues to be wonderful learning going on around the school. This week the Orioles and Puffins have been making good use of the cooking area, baking cheese straws. Owls have been active in the PE sessions with Cricket and related invading/ball control games. The Peacocks have been attending various visits to the high schools they will be transferring to, as well as beginning to engage with a very rich text in Literacy, George Orwell's Animal Farm. The Swans are preparing for a class assembly that looks to have some positive recycling messages that I look forward to.

We have rescheduled the strings concert to July 12 and can welcome parents of Year 3, 4 and 5 and our Year 6 soloists for the 11:15 performance. They are rehearsing some interesting and diverse pieces and it will be good to hear them in a concert setting.

Toucans welcomed parents in this morning for a castle building session and we saw some wonderful designs being created!

*'The children were all very well behaved and engaged. They really enjoyed the activity. A fab parent share!'*

*'How enthusiastic everyone is.'*

*'Children...understood how it related to the ongoing topic. Lovely to see.'*

*'Lovely learning environment-lots of opportunities to be creative/artistic.'*

*'Lots of great castle mad and lots of mess.'*

We will be saying 'farewell!' to Mr Winter at the end of this term. Mr Winter will be retiring and I would like to thank him for his work in school over more than a decade. He has reliably helped us keep the school ready for learning through all weathers, and helped with the day to day running by fixes on site for little problems and overseeing the larger building works we have undertaken during this time. We all wish him well as he embarks upon this new step in his life, and I'm grateful for his support and expertise at the school as we worked through broken boilers, leaks and all the essential maintenance that is necessary to ensure the school is safe and in a good standard of care for the children.

We have been advertising for a Caretaker/Cleaner to take on Mr Winter's role, and, in case the advertisement and job description on the Norfolk County Website has not reached a person you know who might be a good fit for this position, we would appreciate your help in letting people know about this vacancy. Information is available from the office.

### Parking Reminder

There have been several reports of inconsiderate parking  
on the roads around the school.

If possible, we ask parents to walk or cycle with their  
children to school. If distances mean you need to drive,  
please park at a distance from the school and allow  
yourself time to walk. This is good for exercise and for  
maintaining good relationships with our neighbours.

Thank you.

### Inhalers and Sun Screen in school

If your child has Asthma, please make sure they  
have their named inhaler with them at all times.  
It is important that children are well protected  
from the sun so please provide your child with a  
hat. We are happy for children to bring sun  
screen to school to apply at lunchtimes.  
Please ensure the bottle is named.

### Free Book Tokens

The National Book Tokens website is  
offering schools the chance to win £5000  
worth of book tokens. All you have to do to  
enter is leave your name and email address  
at the following link:
