

Dear Parents and Carers

We want to wish you all a Merry Christmas and share some of the lovely things that have been happening in school.

Brundall's Got Talent 2020

Last week we enjoyed amazing virtual performances from our KS2 BGT finalists. It was quite a show and entertained us all; the children had clearly worked hard to perfect their acts. After a very close voting process, Melody was crowned our winner! Well done to all of the acts, they certainly had us feeling festive.

KS1 have been busy preparing festive songs to share with the classes, virtually of course! It has been great for the children to enjoy a level of festive fun over this time, and Christmas dinner day didn't disappoint either. Our kitchen staff worked hard to create a wonderful festive lunch and we would like to say a huge thank you to them. These cakes are just a small sample of the wonderful food:

Brundall Village History Project

You may remember that before lockdown we celebrated local history in Brundall and enjoyed a special week dedicated to this. We have recently heard that there is now a presentation on the below website, and it is well worth a look:

<http://www.brundallvillagehistory.org.uk/learning.html>

Much hard work has gone into this project. It was announced in November that the Co-op community fund raised just over £1,500. As a result we're looking forward to publishing a new "Discovery Trail" around Brundall in 2021.

Remember to contact the school by email office@brundall.norfolk.sch.uk or head@brundall.norfolk.sch.uk if your child develops symptoms or has a positive Covid test during the first week of the school holidays (you do not need to contact us after Christmas Eve).

Take care, and enjoy the festive break.
